Pub. at $35.00

LOVE AND OTHER WAYS OF DYING by Michael Paterniti. In these seventeen wide-ranging essays collected for the first time in this volume, Paterniti brings his full literary powers to bear, pondering happiness and grief, memory, and the redemptive power of human connection. 437 pages. Dial. Pub. at $28.00

Shakespeare

NAMING THY NAME: Cross Talk in Shakespeare’s Sonnets by Elaine Scarry. Synthesizing textual analysis, literary criticism, and historiography, Scarry probes the most enigmatic and enduring love poems ever written in the English language to reveal two poets in conversation—in love, speaking and listening, writing and writing back. 291 pages. FSG. Pub. at $27.00

THE BEST MINDS OF MY GENERATION: A Literary History of the Beats by Allen Ginsberg. A unique document that works as primer, unconventional memoir, and critical companion. A personal yet analytical look at one of the most important literary movements of the twentieth century, a must-read for Beat aficionados and neophytes alike. 460 pages. Grove. Pub. at $27.00

Literary Studies & Criticism

CAME TO BE AND WHY IT ENDURES by Patrick Corrigan. With rigor, wit, and infectious enthusiasm, the Fresh Air book critic investigates the enduring power of The Great Gatsby, cutting to the heart of why we are, as a culture, “borne back ceaselessly” into its thrall. 342 pages. Little Brown. Pub. at $26.00

IN SEARCH OF THE ORIGINS OF THE EPIC by Allan Germain. An award-winning author and professor, Bloom brings together the serial installments of The Iliad, The Odyssey, and The Tempest, Lucan's Pharsalia, and the oral tradition through which the poems were passed down, Dalby gives us a new understanding of the origins of Western literature. 266 pages. Norton. Paperback. Pub. at $17.95

THE LITTLE REVIEW “ULYSSES” by Karinna Lings. Provides an in-depth analysis of James Joyce’s most daring and influential work, making Joyce’s most enigmatic and enduring work. 210 pages. Little Brown. Pub. at $14.95

**UTOPIA** By Thomas More. In Utopia More paints a vision of the customs and practices of a distant island, but Utopia means “no place” and his narrator’s name, Huyldadeus, translates as “dispenser of nonsense.” This fantastical tale masks what is a serious and subversive analysis of the failings of More’s society. 135 pages. Penguin. Paperbound. Pub. at $12.00

**JACK LONDON’S RACIAL LIVES: A Critical Biography** By Jeanne Campbell Reesman. Offers the first full study of the enormously important issue of race in Jack London’s life and diverse works. Reesman explores his choices of genre by analyzing racial content and purpose and judges his literary artistry against a standard of racial tolerance. 389 pages. UWP. Pub. at $41.95

**THE CASTELL OF LOVE: A Critical Edition of Lord Berner’s Romance** By Joyce Boro. Presents the first modern edition of John Bourchier, Lord Berner’s translation of Diego de San Pedro’s Carcel de amor; a popular romance originally printed in 16th-century Spain. Includes an extensive analytical introduction; linguistic notes and commentary; and more. 298 pages. MRTS. Pub. at $42.00

**THE BATTLES OF TOLKIEN** By David Day. From the iconic battle of Helm’s Deep to the destruction of Isengard, this comprehensive study analyzes all the major conflicts of J.R.R. Tolkien’s Middle-earth, with clear maps showing the lay of the land and how the armies attacked. An essential guide for any Tolkien fan. Well illus., some color. 253 pages. Thunder Bay. Paperbound. Pub. at $15.99

**IS HEATHCLIFF A MURDERER? Puzzles in Nineteenth-Century Fiction** By John Sutherland. Sutherland, a self-proclaimed literary sleuth, regales fans of 19th-century fiction with the anomalies and conundrums that have emerged from his years of close reading and good-natured pedantry. Delightful and provocative in equal measure, it is a must-read for classic fiction devotees. 299 pages. Icon. Pub. at $14.95

**RENAISSANCE FABLES: Aesopic Prose** By Leon Battista Alberti et al. An important genre of Renaissance literature was the philosophical Aesopic fable. Based on recent critical editions, this collection offers English translations of fables by Leon Battista Alberti, Bartolommeo Scala, Bernardino Baldi, and Leonardo da Vinci, plus introductions, bibliographies and more. 367 pages. MRTS. Pub. at $35.00

**REDEEMING THE KAMASUTRA** By Wendy Doniger. This scholarly and superbly readable work restores the Kamasutra, the world’s most famous textbook of erotic love, to its proper place in the Sanskrit canon—as a sophisticated and surprisingly modern landmark of India’s secular literature. 182 pages. Oxford. Pub. at $24.95

**THE LEGENDS OF THE HOLY HARLOTS:** English translation. This edition includes an extensive analytical introduction, bibliography, a glossary for the English text, and more. 263 pages. Icon Books. Pub. at $14.95

**SHERLOCK: The Facts and Fiction Behind the World’s Greatest Detective** By Martin Fido. Shines a light on the fictional life of literature’s most enduring detective, as well as the real life of its equally enigmatic creator. Along the way, Fido highlights Holmes’ greatest representations across various media, resulting in a fully-formed portrait of a mystery legend. 224 pages. Carlton.

serve the purposes of multiple intertwined historical discourses and perspectives. The historian, through her research, uncovers the ways in which literary texts are shaped by and reflect the social, political, and economic contexts of their time. She explores the interplay between literature and its readers, examining how books have been used as tools for power and resistance. The narrative is enriched with personal reflections and insights from contemporary scholars, offering a fresh perspective on the enduring legacy of Eastern European literature.

The book is divided into several chapters, each focusing on a different aspect of Eastern European literary history. Chapters cover topics such as the role of nationalism in shaping literary movements, the influence of exile on writers, and the relationship between literature and political oppression. Each section is accompanied by a selection of primary texts, illustrating the themes discussed in the accompanying analysis.

Through a careful selection of examples and a nuanced interpretation of the sources, the author demonstrates the complexity and richness of Eastern European literature. The book is a valuable resource for students and scholars interested in the history of literature, Eastern Europe, and the broader context of global literary history.
