**6598983 THE BONE COLLECTION: Four Novellas.** By Kathy Reichs. Novellas. In *First Bones* we learn how Tempe becomes a forensic anthropologist. Then the collection is rounded out with three *Flesh* novellas. The finale, *Bone* novella, never prepared her for plane crashes, or how to help fellow survivors cope, huddled in rafts, waiting a rescue that may never come. When they do make it, they are forced to transport to their witness-protection placement, their original destination. Things don’t go well, and Claire and Nick no longer know who is helping or harming the writers. By age 37, Claire has written a novel, and she is fully mentally and sexually reborn. The collection ends with a powerful story about corruption in high places. 383 pages. Ballantine. Paperbound. Pub. at $9.99

When Deputy Coroner Mattie Winston is called to the scene of a violent crime in a small Louisiana town, she finds herself at odds with her fellow officers, who seem more interested in covering up the incident than in solving it. But Mattie is determined to find the truth, even if it means putting herself in danger. As she delves deeper into the case, she uncovers a web of lies and deceit that threatens to destroy everything she holds dear. With her scalpel-sharp skills, Mattie works to dig up the real killer and bring him to justice. But as the stakes get higher, she realizes that the truth may be too much for her to bear. The Night Women is a thrilling and suspenseful mystery that will keep you on the edge of your seat until the very end.
