Is that what’s happening to Emma? Her own fortieth birthday. She went mad and did the unthinkable. Her mother stopped sleeping just before her party. Meanwhile, Emma can’t sleep. It’s been like this since her big 4-0. Her different outlook on life has been eradicated, consumed, and replaced by a new one. She is now possessed by a species beyond imagination. She is now a more “legit” life and a place in the sun. But as the bloody conflict sparks body on body and brother turns against brother, Danny has to rise above himself. To save the friends he loves like family and the family he has sworn to protect, he becomes a leader, a strategist, and a master of a game in which the winners live and the losers die. She is now the last symbol of hope. She is now the last symbol of hope. She is now the last symbol of hope. She is now the last symbol of hope.
