It provides the reader with an accurate insight into the story of one of the longest running POW camps during WWII. 16 pages of photos, 238 pages. Fonthill. Pub. at $44.95 $32.95

**2797696 SONS OF FREEDOM: The Forgotten American Soldiers Who Defeated Germany in World War I.** By Geoffrey Wawro. As Wawro, a prize-winning historian, shows in this magisterial account, the French and British armies were on the verge of collapse in 1918, and may well have lost the war without the Doughboys, British, Australians, and Canadians. This was a “miracle”—but it was distinctly an American miracle. Maps & photos. 596 pages. Basic. Pub. at $35.00 $26.95

**2975831 FROM STALAG TO NAVALIA: By Kansas Nevenkin.** Provides an expert analysis of this lesser-known battle, telling the story from the perspective of both sides. The book is additionally illustrated with never before seen photographs. 80 pages. PeKo. 11¼ x 8¼. Pub. at $41.95 $31.95

**2927918 THE AGITATOR: William Bailey and the First American Uprising Against Nazism: Introduction by Paul Govee.** In 1935 Hitler had suppressed all internal opposition and established himself as Germany’s unchallenged dictator. Yet many Americans remained largely indifferent to the horrors unfolding around the world. But while the American government was doing nothing to fight Nazism and oppression, this is the story of how William Bailey was doing something to fight it. Illus. 268 pages. PublicAffairs. Pub. at $28.00 $21.95

**Note:** Detailed descriptions and images of the technical aspects, armament, and operational history of the various military units and technologies of World War I and World War II are available in each of these books. The listings continue with additional titles focusing on specific aspects such as armor, weapons, and strategies employed during these major conflicts.
**2016024** THE FORGOTTEN SOLDIER. By Guy Sojer. A unique memoir, written from the perspective of a German soldier, who fought in all the major battles, from Kursk to Kharkov. Many of the thirty-two pages of photos included were taken by German soldiers themselves, showing the hardships and destruction of war as troops battle through snow, mud, burned villages, and rubble-strewn cities. 465 pages. Potomac Books. Paperbound. $16.95

**285797** SZKOLNIKOFF: Hitler’s Jewish Smuggler. By Pierre Abramovici. Seventy years after his death there are still many questions that remain unanswerd: who did Szolnikoff actually work for? What happened to the enormous amounts of money he is supposed to have laundered in Montreal? Who are the story’s real accounts? Who was the mysterious commando unit that captured and killed him? The true story of Szolnikoff has never been fully investigated until now. 223 pages. Pen & Sword. Pub. at $32.95  $9.95

**285009** NAZI WOMEN OF THE THIRD REICH: Serving the Swastika. By Paul Roland. Fascinating account of what happened to women during the time of the Third Reich, from the Nazi’s war women’s organization to their own exclusion from public life to the people who risked their lives to oppose fascism. Photos. 240 pages. Arcutus. Paperbound. $9.95

**283085** THE ILLUSTRATED HISTORY OF THE THIRD REICH. By Paul Roland. A remarkable true story of the little Austrian corporal with the twisted psyche who rose from obscurity to command the world’s most formidable military machine. Drawing on a wide range of sources, Roland unravels the web of diplomacy and deceit which Hitler spun to ensure the war he had always wanted. Well illus. 208 pages. Arcutus. Paperbound. $14.95

**2802239** HITSER’S AMERICAN MODEL: The United States and the Making of Nazi Law. By James Whitman. Presents a detailed investigation of the American impact on the notorious Nuremberg Laws, the centerpiece anti-Jewish legislation of the Nazi regime. Whitman concludes that the Nazis took real, sustained, significant, and revealing interest in American race policies, which helped to shape their Nazi policies. 208 pages. Princeton. Paperbound. $19.95

**6824161** BLITZED: Drugs in the Third Reich. By Norm Ohler. The author reveals the Reich’s Third was saturated with drugs: cocaine, opiates, and, of most all, methamphetamines. Troops were encouraged, and, in some cases, ordered, to take rations of a form of crystal meth. Hitler himself became increasingly dependent on a cocktail of drugs administered by his personal doctor. Illus. Paperbound. $15.99

**2853232** WARRIORS AND WIZARDS: The Development of Radio-Controlled Glide Bombs of the Third Reich. By Martin J. Bollinger. Using interviews with participants, declassified documents, and archival records from formerly secret files, this volume chronicles the entangled battles of Allied sailors and German airmen and Allied and German scientists during 1943. Bollinger provides a detailed account of the development of the bomb and its technological perspective and seeks to correct previous mistaken accounts. Photos. 269 pages. Naval Institute. Paperbound. $39.95

**280056X** KILLING THE SS: The Hunt for the Worst War Criminals in History. By Oswin Z. Binn. Before the end of the war the staff of the espionage waged by self styled “Nazi hunters” who tracked down the SS fugitives and brought them to justice, which often meant death. This determined group included a French husband and wife team, an American lawyer, and a German prosecutor who had signed an oath to the Nazi Party. Photos. 307 pages. Holt. Pub. at $30.00 $21.95

**2817233** THE TRIAL OF ADOLF HITLER: The Beer Hall Putch and the Rise of Nazi Germany. By David King. Drawing on never before published sources to re-create in detail a haunting failure of justice with catastrophic consequences. The story of the criminal proceeding that thrust Hitler into the limelight after the failed beer hall putch. By the end, Hitler would transform a fracas into a stunning victory for the Nazi Party. Illus. 435 pages. Norton. Paperbound. $18.95 $9.95
