Military Leaders

**672578 GRANT. By Ron Chernow. The stereotypes often used to describe Ulysses S. Grant don't do justice to the life of this Union general and U.S. President. Chernow's masterful biography fills in the gaps, providing a complete understanding of a man known for his red face and swelling speed and frequency, 16 pages of photos. 1074 pages. Penguin. Pub. at $40.00 $29.95

**280476X GRANT. By Ron Chernow. The all-too common stereotypes of Ulysses S. Grant don't come close to capturing this complex figure. Lucid, analytical, and meticulous, Chernow traces the disparate stories in Grant's life—from his lifelong struggle with alcoholism to his defeat of the legendary Robert E. Lee—and finds the threads that bind them together, 16 pages of photos. 1074 pages. Penguin. Paperback. Pub. at $22.00 $16.95

**697744 THE REAL CUSTER: From Boy General to Tragic Hero. By James S. Robbins. Studies the life of this fascinating man, drawing on correspondence, histories and other personal documents to give us the real Custer: the West Point cadet who preferred earning dements to studying and the loquacious friend who amusingly crossed the lines to visit his Southern friends during the Civil War. An interesting study of the "boy general." 494 pages. Regnery. Paperback. Pub. at $18.99 $13.95

**2886335 THE LIFE OF JOHN ANDRE: The Redcoat Who Turned Benedict Arnold. By Robert L. Emmett. A major part of America's War involved subterfuge and betrayal, the best known of which is the turning of Benedict Arnold by British officer, Major John Andre. **280624 SP. PILOT. By F. C. F. Jr. & K. Durbin. The founder of the Cold War museum and son of captured pilot, Francis Gary Powers, has written this new account of his father's life based on personal files that Powers kept hidden into old audio tapes, letters his father wrote while imprisoned in the Soviet Union, and the transcript of his father's debriefing by the CIA. Considered himself first and foremost a business entrepreneur, it is the personal story of the most difficult and most well kept secret of the Cold War. A unique approach to the legend of Patton and his development and application of modern warfare. Argues that popular representations are built on misconceptions and an incomplete understanding of his approach to battle. Addresses the contradiction between the criticism of his methods and popular appreciation for his successes. Photos. 374 pages. Naval Institute. Pub. at $35.00 $26.95
