SHADOW OF THE LONE ICON: Why the Nazis’ Iron Cross Panzer Ace was Ashamed to Remember. By Richard F. Kessel. This is the story of a World War II Panzer Ace who, after the war, lived in the United States and was known only as Richard F. Kessel. Kessel was a Panzer Ace who fought on the Eastern Front. He was decorated with the Iron Cross and the Panzer Assault Cross for his actions in the war. After the war, he lived in the United States and worked as a journalist. However, he was unable to come to terms with his past and his participation in the war. He lived in isolation and denied his past for many years. It was only in the 1980s that Kessel started to talk about his past and his role in the war. Two books were published about Kessel and his experiences during the war. However, neither book revealed Kessel’s true identity. It was not until 2012 that Kessel finally revealed his true identity and his past as a Panzer Ace. His story is a powerful reminder of the complexities of war and the impact it can have on individuals.
