3783510 SCARS OF INDEPENDENCE: America’s Violent Birth. By Holger Hooch. "In this account of America’s founding, the Revolution was not only a high minded battle over principles, but also a profoundly violent civil war, one that shaped the American way in which we have only begun to understand. Hooch writes the violence back into the story of the Revolution in this riveting narrative. Illus. 559 pages. Broadway. Paperbound. Pub. at $18.00 $5.95

379871X SCARS OF INDEPENDENCE: America’s Violent Birth. By Holger Hooch. "In a researched and elegantly written account of America’s founding, Hooch writes the violence back into the story of the Revolution. He argues that the conflict was not the principle-driven battle of conventional belief, but rather a violent encounter with a rampaging imperial army. This is the gripping story of how George Washington, together with a dedicated coterie of advisers both foreign and domestic—Marquis de Lafayette, Baron von Steuben, the impossibly young Alexander Hamilton, and John Laurens—he set out to breathe new life into his military force. Against all odds they manage to turn a bobtail army of citizen soldiers into a professional fighting force that will topple an empire and change the world." 16 pages of illus. 419 pages. S&S. Paperbound. Pub. at $17.00 $8.95

3752127 VALLEY FORGE. By B. Drury & T. Clavin. December 1777: Washington’s American Revolution depends on Valley Forge. A desperate shortage of supplies and morale. But against all odds, Washington and his dedicated coterie of advisors manage to turn an army of citizen soldiers into a professional fighting force that will topple an empire and change the world. 16 pages of illus. 418 pages. S&S. Paperbound. Pub. at $16.95 $4.95

3956982 UNSHACKLING AMERICA: How the War of 1812 Truly Ended the American Revolution. By William Stern Randall. "Re-examines the half century long struggle and persistent attempts by the British to stifle American trade. Throughout this perilous period, the contest surrounding this keystone American political moment. 265 pages. Rowman & Littlefield. Pub. at $48.00 $6.95

2951284 TRUE FOR THE CAUSE OF LIBERTY: The Second Spartan Regiment in the American Revolution. By Oscar E. & Catherine R. Clark. "In 1776, elite group of soldiers were handpicked to serve as George Washington’s bodyguards. Washington trusted and relied on them, but unbeknownst to him, some of the guards were part of a transmitting network of the secret plot against the English crown. Patterson chronicles the gripping story of how George Washington and Benedict Arnold defeated two of the greatest leaders in the American Revolution, and takes you along the routes trekked by both commanders, including intellectual influences, and financial and military support." 32 pages of photos. 320 pages. The Extravagant Young Women of the first official Jewish transport to Auschwitz. By Heather Dune Macadam. On March 29, 1942, nearly 1,300 Jewish young unmarried women were sent to Auschwitz. Most of them were from the town of Lublin, Poland. They were sent to Auschwitz with their clothes, personal belongings, and most importantly, their hopes and dreams for a better future. The journey to Auschwitz was long and arduous, and the conditions inside the camp were horrific. The young women had to endure the constant persecution, separation, and deprivation that characterized the Holocaust. The transportation to Auschwitz was just the beginning of their痛苦的旅程. The story of these young women, as well as others who were sent to Auschwitz, is a testament to the resilience and strength of the human spirit. Through their experiences, we can gain a deeper understanding of the Holocaust and the atrocities that were committed during this time. These stories are a reminder of the importance of remembering the past and honoring the memory of those who lost their lives in the Holocaust.

KING'S OF THE SEA: Charles II, James II & the Royal Navy. By J.D. Davies. In this provocative new theory that the creation of the Royal Navy was in fact due principally to the Stuart brothers, Charles II, with an acute and detailed interest in naval affairs, with the author's own reconstructions in line drawings and watercolor, presents the first study in depth of the Royal Navy's vital but largely ignored small craft. 16 pages of photos. 194 pages. Osprey. Paperbound. Pub. at $19.00

BRITISH AND COMMONWEALTH WARSHIP CAMOUFLAGE OF WWII. By Malcolm Wright. During the Second World War navies developed low visibility camouflage, to reduce being seen by blending in with the sea, or confuse the identity of a ship by using provocative patterns. Both the official and unofficial paint schemes that adorned ships of the Royal Navy and Commonwealth are depicted in detail. Well illus. in color. 160 pages. Naval Institute. 10x8¼. Paperbound. $46.95

THE DEATH OF THE USS THRESHER: The Story Behind History’s Deadliest Submarine Disaster. By Norman Polmar. When she first went to sea in April 1960, the USS nuclear submarine Thresher was the most advanced submarine at sea, built specifically to hunt and kill Soviet submarines.
